Clevis Sling Hook With Latch Cartec CBX

Product information

Clevis sling hook with latch grade 100, forged from high-strength alloy steel. Designed for quick and secure suspension of slings, chains, or fittings, it ensures reliable load engagement and smooth operation under heavy-duty conditions.

Features:

- Grade 100 strength for demanding lifting tasks
- Secure latch prevents accidental sling disengagement
- Precision-forged for optimal load distribution and durability
- Wide compatibility with chain and sling systems
