

Connecting Link S/S Green Pin® MJI

Product information

The Green Pin® Stainless Steel Connecting Link is a grade 5 stainless steel connecting link. The non-corrosive nature of stainless steel makes it the perfect choice for use in industries such as foods, nuclear and sailing. These connectors provide fast, easy assembly by using just a hammer. It is designed to connect eye and eye swivel hooks and master links to grade 5 chains all together. The spring bush ensures that the pin stays secured in place within the two halves of the connecting link. The Green Pin® Stainless Steel Connecting Link is available in a range to suit 6 mm up to 13 mm grade 5 chain.

Certification on request: 2.1, 2.2, 3.1
