

Master Link Assembly Green Pin® MTSI, Stainless Steel

Product information

The Green Pin® Stainless Steel Master Link Assembly is a grade 5 stainless steel master link assembly. The non-corrosive nature of stainless steel makes it the perfect choice for use in industries such as foods, nuclear and sailing. This welded master link assembly is designed for 3 or 4 leg sling. The flat on the eye enables the assembly with an omega link or on a thimble.

Certification on request: 2.1, 2.2, 3.1, MTCb
