

Snatch Block Green Pin® type 601T P-6953

Product information

The Green Pin® Snatch Block is a light-weight snatch block type 601T. The snatch block has a smooth, uninterrupted pull due to its conical roller bearings. The coating of the Green Pin® Snatch Block ensures long-term durability, even under harsh conditions. The product is available in a range with a working load limit from 4 up to 8 ton.

These are equipped with bronze bushes.

Certification on request: 2.1, 2.2, MTCb
