Industrial Rigging & Supply | Lifting Solutions Group Axel Johnson International

Vertical Clamp IPCC

Product information

For Lifting and Transferring Concrete Pipe Sections and Wells.

Features:

- Available in capacity of 1 metric ton per pair.
- Jaw opening available: 40 - 140mm.
- Welded alloy steel body for strength and smaller size.
- Equipped with handle for easy placement.
- Individually Proof Tested to 2 times the Working Load Limit with certification
